

# The Community Giving Program at Harrington Bank

As a locally owned and managed community bank, Harrington Bank strives to build lasting relationships with people and organizations that care about our community. We encourage our employees to support local organizations, and now we are proud to also offer our customers the opportunity to join with us to support local non-profits through our new Community Giving Program. We have created this program with our customers in mind.

## The Community Giving Program Works in Two Ways:

1. Through the Community Giving Program, Harrington Bank will make a donation to one eligible non-profit for every new Personal Checking Account opened in any of our branches. At the time the account is opened, our customer will be given the opportunity to match or exceed our donation.
2. Any Harrington Bank customer can make a donation to an eligible non-profit at any time in any of our branches through a quick and simple bank draft. It's a convenient way to support local organizations while taking care of your other banking needs.

Stop by one of our branches or check out our Facebook page, website or newsletter to learn more about the program and the local non-profit organizations we're supporting.

## Four Convenient Locations

### Chapel Hill

Hwy 54 at I-40, (919) 945-7800  
Southern Village, (919) 913-3200  
Martin Luther King Jr. Blvd, (919) 913-1960

### Raleigh

1151 Falls River Avenue, (919) 582-2660
